

Jeremy Kleiman to Speak at iDEA Growth Power Lunch Summit

September 11, 2020

On Friday, September 11th, Jeremy Kleiman will participate in a panel discussion at the iDEA Growth Power Lunch Summit entitled "Responsible Gaming as a Business Strategy: Keeping Consumers Safe, Regulation Rational & Business Booming." The panel will discuss how responsible gaming initiatives lend to the online gaming and sports betting industry's overall business strategy for success. Jeremy will be joined by Amy Knapp of iDEA, Elizabeth Lanza of the Pennsylvania Gaming Control Board, Keith Whyte of the National Council on Problem Gaming, and Emma Richardson of White Hat Gaming.
