

Jeremy Kleiman to Speak at the 2022 EGR Power 50 Summit

May 10, 2022

On Tuesday, May 10th, Jeremy Kleiman will participate in a panel discussion entitled “Profitability and sustainability in the US betting market” at the 2022 EGR Power 50 Summit in Marbella, Spain. The EGR Power 50 Summit brings together C-Level executives from the leading operators in Europe for two days of high-quality content and networking.

The panel will explore the sustainability of the current US sportsbook model, the landscape of M&A activity and how this is benefitting the market, and what strides need to be taken in order for operators to see increased success.
