

## **Jeremy Kleiman to Speak at the IMGL 2023 Autumn Conference**

September 8, 2023

On Friday, September 8th, Jeremy Kleiman will participate in a panel discussion at the International Masters of Gaming Law’s 2023 Autumn Conference entitled “From bricks to clicks: multichannel challenges and opportunities in casino and retail operations.” The panel will discuss the challenges that land-based and online based gaming companies face in an omnichannel market.

Jeremy will be joined by Moderator Sean McGuinness of Butler Snow; Hitoshi Ishihara of Anderson Mori & Tomotsune; Dr. Alexander Legat of Novomatic; and Gabrielle Angle of GeoComply.

The International Masters of Gaming Law (“IMGL”) is a non-profit association, founded over 20 years ago and comprising over 340 members globally. Its members are recognized as the foremost gaming law experts in their jurisdictions, at the forefront of leading-edge developments and trends reshaping the gaming industry.
