Saiber has been named as a 5-Star Law Firm by *Insurance Business America*, a leading magazine for commercial insurance brokers. Saiber was one of only 32 firms listed in the inaugural edition of the rankings. In addition, Saiber member Joseph Schiavone was also named as a 5-Star Lawyer, one of just 45 attorneys in the United States to be named to the list.

Insurance Business America sourced feedback from hundreds of insurance professionals over a period of 15 weeks to determine what insurers value in the law firms they collaborate with.
