

Saiber Represents Bragg Gaming in the Closing of its Acquisition of Spin Games

June 3, 2022

A team of Saiber attorneys represented Bragg Gaming Group, a global B2B iGaming technology and content provider, in connection with the closing of its acquisition of Spin Games LLC, a Reno, Nevada based B2B gaming technology and content provider currently servicing the US market. The cash and stock transaction is valued at approximately \$30 million. Saiber served as M&A and regulatory counsel to Bragg in connection with the transaction.

According to a press release issued by Bragg, the acquisition of Spin Games will provide for a differentiated and widely distributed iGaming product offering and accelerates Bragg's North American growth.
